Students	Entered	Achieving Distinction*	Achieving Distinction	Achieving Merit	Achieving Pass
All Students	53	3	19	20	11

New Measures - Attainment 8 and Progress 8

The new performance measures are designed to encourage schools to offer a broad and balanced curriculum with a focus on an academic core and reward schools for the teaching of all their pupils, measuring performance across 8 qualifications.

Progress 8 aims to capture the progress a pupil makes from the end of primary school to the end of secondary school. It is a type of value added measure, which means that pupils' results are compared to the actual achievements of other pupils with the same prior attainment.

Attainment 8 will measure the achievement of a pupil across 8 qualifications including mathematics (double weighted) and English (double weighted), 3 further qualifications that count in the English Baccalaureate (EBacc) measure and 3 further qualifications that can be GCSE qualifications (including EBacc subjects) or any other non-GCSE qualifications on the DfE approved list.

Attainment 8*	49 (estimate)
Progress 8*	To be confirmed when DfE School Performance Tables 2016 are published

Performance Tables

For further details of Ounsdale's performance please see the school's performance tables. These can be found at: <https://www.compare-school-performance.service.gov.uk/school/141343>

Student Successes 2016

Congratulations to all of our students who received their 'A' level, GCSE and BTEC Level 2/3 vocational results this summer. We are proud of their achievements and wish them well in their future courses and careers.

Sixth Form

The school's top performer this year was **Bradney Smith** who gained 'A*' grades in Maths and Further Maths and 'A' grades in Chemistry and Physics. Bradney will be studying Mechanical Engineering at The University of Birmingham next year.

Other students who performed particularly well were:
